MEMORANDUM FOR: Chief, Analysis Group, O/Comptroller
SUBJECT : National SIGINT Plan

1. Reference is your request to me of 10 November for release of the National SIGINT Plan prepared by the National Security Agency to members of the House Appropriations Committee Staff now working with your office.

25X1 2. [] Special Assistant to the Director of NSA, advises that NSA has no objection to allowing the HAC Staff members access to those portions of the National SIGINT Plan prepared by NSA which relate to what the HAC Staffers are looking into at CIA. If the HAC Staff members want to review the entire plan, however, [] said that NSA considers this should be done at NSA. 25X1

25X1 3. [] said it was his understanding that the HAC had not had access to the entire plan at NSA, and that none of the HAC Staffers had seen the portion relating to [] 25X1
25X1 [] which is what I understand is their focus on interest as regards the plan.
